Sitio Web para Ferretería Agro Industrial (D FRATELLI)

Cliente: Daniel Pimentel / Diego Pimentel

Desarrollador: Jhon M. Cariaco R.

Fecha: 13/03/2026

1. Descripción General del Proyecto

El cliente requiere el desarrollo de un sitio web completo para una ferretería/agroindustrial, con catálogo de productos, carrito de compras, integración con WhatsApp para pedidos, y panel administrativo para gestionar productos. El sitio **no incluirá pagos con tarjeta de crédito**, pero sí permitirá que el usuario genere un pedido y lo envíe por WhatsApp o lo deje registrado en el sistema.

2. Objetivos del Sitio Web

- Mostrar catálogo completo de productos agropecuarios, agroindustriales y ferretería.
- Permitir búsqueda y filtrado por categorías.
- Permitir agregar productos al carrito.
- Permitir enviar el pedido vía WhatsApp o registrarlo en el sistema.
- Facilitar la administración del catálogo mediante un panel interno.
- Mejorar la presencia digital del negocio y facilitar la atención al cliente.

3. Alcance del Proyecto

Funcionalidades incluidas:

- Página de inicio con banners, categorías y productos destacados.
- Página de catálogo con filtros y buscador.
- Página de detalle de producto.
- Carrito de compras.
- Envío de pedido por WhatsApp (con resumen del carrito).
- Panel administrativo (CRUD de productos y categorías).
- Gestión de imágenes de productos.
- Página de contacto.
- Página "Sobre nosotros".
- Diseño responsive para móviles.
- SEO básico.

Funcionalidades NO incluidas:

- Pasarelas de pago (tarjeta, PayPal, etc.).
- Sistema de usuarios para clientes.

- Facturación automática.
- Integraciones externas adicionales.

lorem ipsum is simply dummy text of the printing and typesetting industry. Lorem ipsum has been the industry's standard dummy text, an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the remaining essentially unchanged. It was popularised in the 1950s with the release of Letraset sheets containing Lorem ipsum passages, and publishing software like Aldus PageMaker including versions of Lorem ipsum.

There are many variations of passages of Lorem ipsum available, but the majority have suffered alteration in some form, by injected humour, or randomised words which don't look even slightly believable. If you are going to use a passage of Lorem ipsum, you need to be sure there isn't anything embarrassing hidden in the middle of text. All the Lorem ipsum generators on the Internet tend to repeat predefined chunks as necessary, making this the first true generator on the Internet. It uses a range of Lorem ipsum text, combined with a handful of model sentence structures, to generate Lorem ipsum which looks reasonable. The generator
